

Win one of 12 netbook computers!

Don't have access to high-speed Internet at home?

Enter to win one of 12 Wi-Fi enabled netbook computers, provided by Connect Ohio.

Connect Ohio is partnering with Ohio's public libraries to help make more computers available to library patrons.

We need information from Ohioans who access the Internet at their local library, so we are asking for your help.

It's easy to enter! Just complete a short online survey at:

www.connectohio.org/survey

Don't wait! Contest ends Feb. 14, 2010.
